ELECTRICITY, GAS AND WATER LICENCES - APPLICATION GUIDELINE AND FORMS

FINAL DECISION

The Authority has approved the revised Electricity, Gas and Water Licences - Application Guideline and Forms – September 2011 (guideline).

On 23 September 2011, the Authority approved the release of a draft guideline for a period of public comment. The draft guideline was updated to:

- require applicants to provide an application summary that can be published upon receipt of the application;
- reflect new legislative requirements;
- simplify the financial and technical information requirements for applications;
- change agency contact details; and
- reformat the document.

The period for submissions closed on 17 October 2011 and the Authority received one submission that supported the revisions to the guideline.

A copy of the revised [guideline](#) is available on the Authority's website.
