DECISION

1. In accordance with section 21 of the *Electricity Industry Act 2004 (Act)*, the Economic Regulation Authority (**Authority**) has approved an amendment to Electricity Generation Licence No.5 (**EGL5**).
2. The amendment entails that the licensee name be changed from Transfield Services Kemerton Pty Limited to RATCH-Australia Kemerton Pty Ltd, and the licence address to:

Level 13, 111 Pacific Highway
NORTH SYDNEY NSW 2060

REASONS

3. The licensee changed its business name and registered office with the Australian Securities & Investment Commission.
4. The licensee informed the Authority of its change in name and address on 13 July 2012.
5. Pursuant to section 21 of the Act, the licensee applied to the Authority to amend EGL5 in order to reflect its new business name and registered office address.
6. Pursuant to section 21(4) of the Act, the Authority may amend a licence if the applicant has made the application in a form approved by the Authority, paid the prescribed application fee and additional information has been provided for proper consideration of the application. The licensee has satisfied these requirements.
7. This is a minor amendment and the Authority considered it unnecessary to seek public consultation on the amendment.
