| Amendment Details | |
|-----------------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Licence No | EIRL 2 |
| Reason for and Details of the Amendment | <p>Amendments are required to three licensed areas, Karratha ERA-EL-050, Halls Creek ERA-EL-017 and Meekatharra ERA-EL-023.</p> <p>Karratha: An extension is sought to the east of Karratha (found to the left of the wording "Bulgarra Substation"). It is required to accommodate new property subdivisions.</p> <p>Karratha: An amendment has been made to the Karratha map to indicate the future 20 MW power station and the wording generation has been included in the legend.</p> <p>Karratha: A minor amendment has been made to correct the shape of the southern most tip (found on the extreme left of the Karratha map). This is a correction and is not intended to alter the existing operation area.</p> <p>Halls Creek: An amendment is sought to the western most point of the existing boundary. This is required to supply power to proposed new Telstra infrastructure.</p> <p>Meekatharra: An amendment is sought to the licence boundary north of the main town area. This amendment is required to enable power to be supplied to land lots not included in the current boundary.</p> <p>Note: Add more space as necessary</p> |

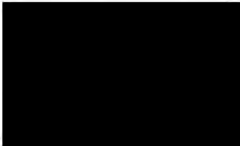

Certification – Acknowledgement of Commitment

I declare that the information provided in this application is correct to the best of my knowledge and I am aware of the requirements under the Act for the licence being applied for and that I have the authority to make this application on behalf of the above entity.

Signed by or on behalf of the applicant⁸.

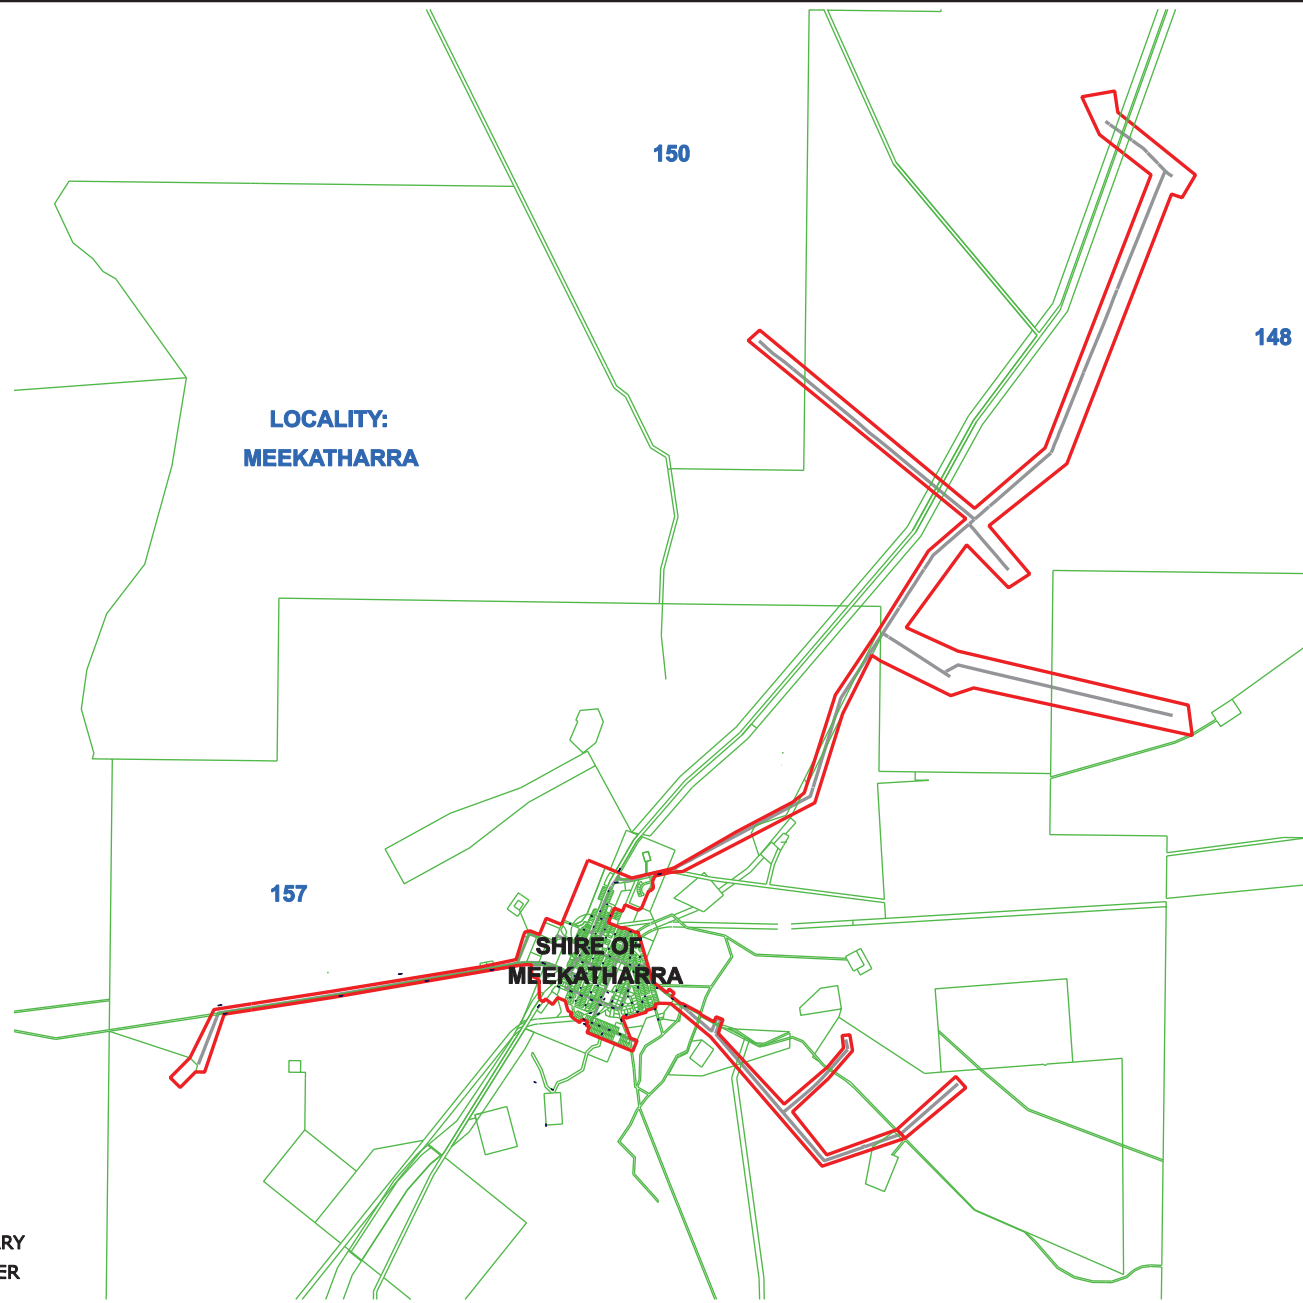

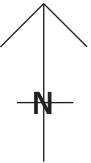

Name: Liang Tay

Position: Manager Risk Audit and Governance

Signed:
