The Pilbara Infrastructure – Amended Costing Principles

The Economic Regulation Authority has today published amended costing principles for The Pilbara Infrastructure.

On 17 May 2013, the Authority issued a direction to The Pilbara Infrastructure for it to amend Appendix C of its costing principles.

The notice advising of the direction is available on the Authority's [website](#).

The Pilbara Infrastructure has complied with the direction.

The amended costing principles is available on the Authority's [website](#).
