PROPOSED ANNUAL TARIFF VARIATION 2014

The Economic Regulation Authority has allowed an adjustment to the reference tariff for the Goldfields Gas Pipeline (GGP), as proposed by Goldfields Gas Transmission Pty Ltd (GGT).

GGT submitted a letter to the Authority detailing proposed adjustments to the reference tariff on 6 December 2013. Following discussions with GGT during December and January, a revised letter with updated adjustments to the reference tariff was submitted to the Authority on 20 January 2014. A copy of the revised letter is available on the Authority's [website](#).

The Authority has assessed GGT's proposal and supporting information, and is satisfied that it complies with the approved reference tariff variation mechanism.

The Authority's approved varied reference tariff is shown in the table below. The adjusted reference tariff will apply from 1 January 2014 to 31 March 2014.
