## Decision

1. Pursuant to section 17 of the *Water Services Act 2012 (Act)*, the Economic Regulation Authority (**Authority**) has amended Water Corporation's Water Services Operating Licence 32 (**WL32**).

## Reasons

2. On 29 January 2014 WL32 Version 12 was approved. WL32 Version 12 expanded the operating area for drainage services to match the Western Australian state boundary. A new operating area map was created for drainage services. The operating area map was assigned a plan number that had previously been allocated to an operating area map that has since been cancelled.
3. The plan number assigned to an operating area map cannot be reused. The Authority has amended WL32 to allocate a new plan number to the operating area map for drainage services.
4. Water Corporation was notified of the proposed amendment and given 15 business days to make comments. Water Corporation has advised that it supports the proposed amendment.
5. This is a minor amendment and the Authority considered it unnecessary to seek public consultation on the amendment.
