

# AEMO STAKEHOLDER ENGAGEMENT

**AEMO will engage with Western Australia electricity stakeholders by:**

Facilitates the AEMO WA Electricity Consultative Forum:  
- Share information and ideas.  
- Discuss and debate issues.  
- Establish issue based and focussed

Allocating a senior AEMO staff member to engage with your business quarterly (at minimum), discussing the strategic issues, challenge and opportunities.

Establishing issue based and focussed engagements when there are important challenges facing stakeholders, key decisions to be made or energy market reform.

Continuing to engage with your business in day to day operations.
