Dear Mr Dawson

**FURTHER MARKET CONSULTATION ON MARKET RULE CHANGE
PROPOSAL – REASSESSMENT OF ALLOWABLE REVENUE DURING A
REVIEW PERIOD**

Thank you for your letter of 9 August 2012 and for undertaking further consultation on the Rule Change for Reassessment of Allowable Revenue during a Review Period.

I understand that the Market Advisory Committee indicated it was broadly comfortable with the Rule Change, noting improvements in scrutiny of Independent Market Operator and System Management expenditure, and the Committee had no additional concerns that might require further amendment to the Market Rules.

I note that the Independent Market Operator intends to continue to liaise directly with the Economic Regulation Authority on this matter. I trust that the Market Advisory Committee will be advised on the outcomes of these discussions in due course.

Thank you again for your early consideration and response to my request.

Kind regards

Hon Peter Collier MLC
