Alex Kroon  
Manager Projects  
Economic Regulation Authority

Dear Alex

***Electricity Licence Review 2018 – Discussion Paper***

Thank you for the opportunity to comment on the recent discussion paper that forms part of the ERA's Electricity Licence Review. Perth Energy considers that the proposed changes are appropriate and will enhance the readability and structure of the licences. We therefore support them and have no further comment.

Ki i gards

Patrick Peake  
General Manager EMR, Regulation
