Dear Mr Reid

AQUA FERRE (MUCHEA) PTY LTD – APPLICATION FOR A WATER SERVICE LICENCE

Thank you for the opportunity to comment on the application by Aqua Ferre (Muchea) Pty Ltd for a licence to provide potable water to residential customers in the Riverside Development, located 8 kilometres north-east of Muchea in the Shire of Chittering.

The Department of Health (DOH) does not object to this licence application, provided that any potable water supply licence that is granted incorporates provisions requiring the licensee to enter a Memorandum of Understanding (MOU) with the DOH about drinking water, and that those provisions are consistent with the content of other potable water supply licenses previously granted by the Authority.

The MOU will include provisions relating to monitoring, catchment to tap risk management, and periodic reporting of water quality data and incidents to the DOH, as well as require compliance with the “Reserve Road (Chittering) Water Reserve Drinking Water Source Protection Plan” (Version 8) that was agreed to between the applicant (or its related entities) and the Department of Water and Environmental Regulation in 2017.

Should you have any queries or require any further information, please do not hesitate to contact Mr Richard Theobald, Managing Scientist – Water, on (08) 9222 2000.

Yours sincerely

Dr Michael Lindsay
