Dear Mr Chin

Exemption application – Canningvale Lateral Pipeline (PL 44)

Your application for an exemption under Part 23 of the *National Gas Rules*, as applied in Western Australia, for the Canningvale Lateral Pipeline (PL 44) has been assessed by the Economic Regulation Authority (ERA).

The ERA has decided to grant Category 2 and 3 exemptions for the Canningvale Lateral Pipeline. The exemptions are valid from 9 May 2023 to 30 June 2028.

Canningvale Lateral Pipeline is exempt from the from the obligation to publish information under Division 2 of Part 23 of the *National Gas Rules (WA)*.

These exemptions may be varied or revoked at any time, in accordance with provisions in the *National Gas Rules (WA)*.

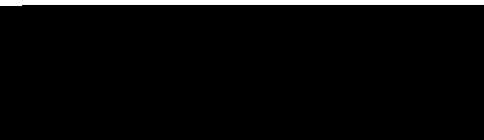

APT Parmelia Pty Ltd must still comply with all other provisions in the *National Gas Rules (WA)* not covered by these exemptions.

As required under Rule 585(8) of the *National Gas Rules (WA)*, please notify the ERA without delay if circumstances change such that the pipeline no longer qualifies for the exemption granted.

The ERA is required to establish, publish and maintain a register of exemptions. Your application will be published on the ERA's [website](#).

Please contact Tyson Self on 08 6557 7900 if you have any questions on this matter.

Yours sincerely

Steve Edwell
