

## NOTICE

### Water, Wastewater and Irrigation Statistics 2004-06

The Economic Regulation Authority (Authority) has approved the publication of the water, wastewater and irrigation performance statistics covering the period 2004/05 and 2005/06 on its website. The statistics tables can be obtained on the Authority's website by clicking [here](#).

The water, wastewater and irrigation statistics summarises the performance of the water service providers licensed by the Authority in the following categories:

- Water sources and/or usage.
- Infrastructure assets used to provide water services.
- Customers and complaints handling.
- Public health.
- Environmental measures.
- Finance and pricing.
