### **DAMPIER TO BUNBURY NATURAL GAS PIPELINE (LICENCE NUMBER WA: PL40) – ACCESS ARRANGEMENT**

This is to advise that three submissions have been lodged with me in response to my call for public submissions on the Access Arrangement for the Dampier to Bunbury Natural Gas Pipeline (DBNGP) which make reference to the recent sale of this pipeline. As one or more parties consider the material contained in these submissions as confidential and the subject of a confidentiality deed, these submissions have not been issued as public documents by my office.

The confidentiality status of these documents remains unclear and I am in the process of obtaining independent legal advice to assist me in assessing this matter.

Currently, the issues raised in these confidential submissions are being taken into consideration in preparing the Draft Decision for the DBNGP Access Arrangement.
