Dear Paul

#### **CAPEL SEWERAGE OPERATING AREA - PROPOSED EXTENSION**

The Corporation has received a request from a developer to provide a sewerage service for their project located at Goodwood Rd, Capel. The development is outside the current Capel Sewerage Services Operating Area.

Consistent with current practice, the Corporation has taken the opportunity to propose the amended Operating Area boundary is extended to the Local Government Area boundary in the south, west and east and the Bunbury and Dalyellup Sewerage boundary to the north. The Operating Area drawing OWR-OA-243 A has been amended and is attached with a supporting sketch.

In making the extension to the Capel Sewerage Operating Area the Boyanup Sewerage Operating Area will be superseded.

The Corporation requests approval by the Authority of the amended Capel Sewerage Services Operating Area drawing OWR-OA-243 A and a corresponding deletion of the Boyanup Sewerage Services Operating Area OWR-OA-212.

If you require further information on this application please do not hesitate to contact Meghan Andrews on 9420 3448.

Yours sincerely

Mandy Damant  
MANAGER RISK MANAGEMENT  
Att.

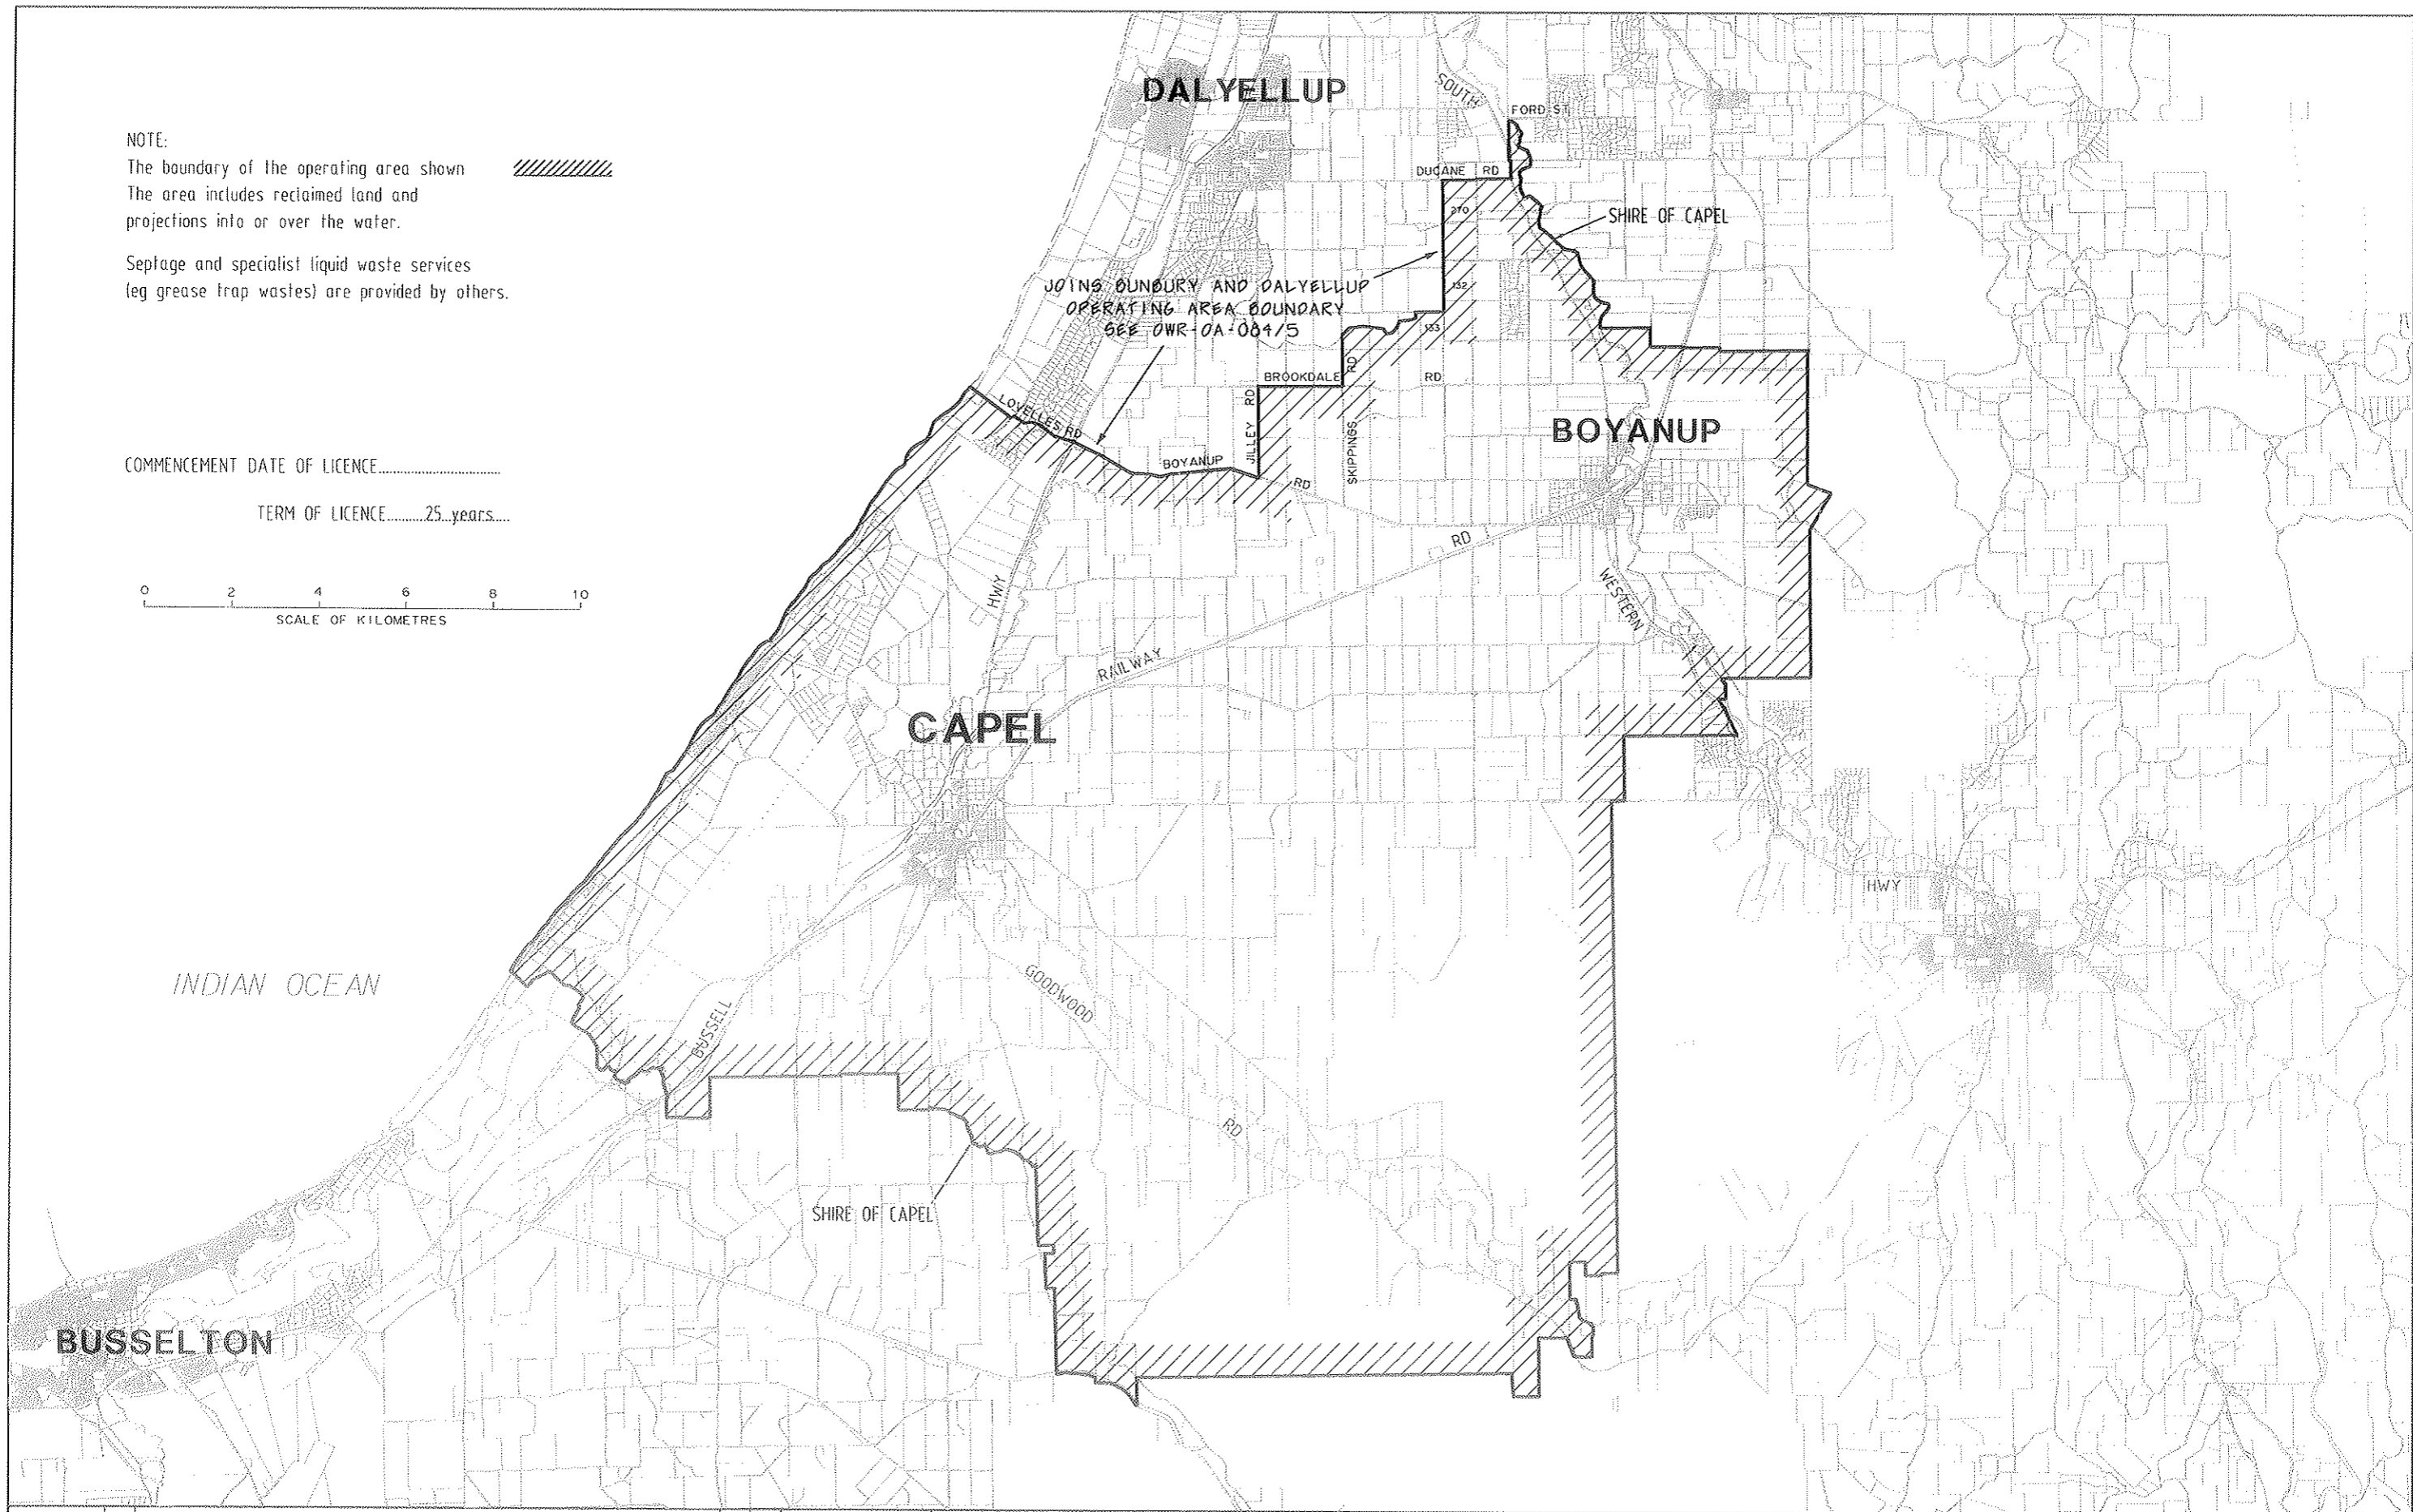

**NOTE:**

The boundary of the operating area shown   
 The area includes reclaimed land and  
 projections into or over the water.

Septage and specialist liquid waste services  
 (eg grease trap wastes) are provided by others.
