

NOTICE

Close of Submissions on Western Power's Proposed Access Arrangement Revisions

The Economic Regulation Authority advises that the public submission period on Western Power's proposed revisions to its access arrangement for the South West Interconnected Network has closed.

The Authority appreciates input from interested parties on the proposed revisions and will consider the matters raised in submissions when preparing its draft decision.

The submissions received are available from the Authority's [web site](#).

Under the *Electricity Networks Access Code 2004*, the Authority must publish its draft decision on Western Power's proposed revisions within 42 business days after the due date for submissions, which was 17 December 2008.

Subject to any extensions of time or suspensions of deadlines, as permitted under the Access Code, the Authority's draft decision is due to be released by 19 February 2009. The Authority will then invite interested parties to make submissions on the draft decision over a consultation period of 20 business days.
