Dear Mick,

AMENDMENTS TO LICENCE EIRL 2

Horizon Power requests that licence EIRL 2 be amended as follows, to record the boundary changes resulting from the inclusion of communities in the Town Reserve Regularisation Project.

Communities that are to be included in Horizon Power's licence are:

Nicholson Camp in Halls Creek
Red Hill (Lundja) in Halls Creek
Koongie Park in Halls Creek
Wongatha Wonganarra in Laverton
Bondini in Wiluna

Enclosed is a CD with amended licence area maps for each of the above locations.

I request that the Economic Regulation Authority amend licence EIRL 2 as proposed.

Yours faithfully,

DAVID TOVEY
