REVIEW OF ELECTRICITY STANDARD FORM CONTRACTS

Griffin Energy Sales Pty Ltd formally requests the withdrawal of its Standard Form Contract from its Retail Licence on the basis that it does not currently have any (and it does not intend to procure any) customers consuming less than 160 MWh of electricity per annum. If Griffin Energy Sales Pty Ltd wants to commence marketing and sales to any electricity customers consuming less than 160 MWh per annum in the future, it shall submit a revised Standard Form Contract to the Economic Regulatory Authority for approval, prior to doing so.

Please do not hesitate to contact myself on (08) 9261 2817 or Mr Charles Martelli on (08) 9261 2818 if you should have any queries.

Yours faithfully
