Dear Mr White

Approval of amendment to the non-standard agreement

In reference to the correspondence received from your office on 14 June 2011, I write in relation to the proposed amendment to the Busselton Water non-standard agreement.

Schedule 3, clause 5 of the Busselton Water licence states:

- 5.1 Subject to compliance with this clause 5, the licensee may enter into an agreement with a customer to provide water services that exclude, modify or restrict the terms and conditions of this licence.
- 5.2 Subject to clause 5.3, an agreement referred to in clause 5.1:
(a) must be approved by the Authority prior to its commencement; and
(b) must not be amended without the prior approval of the Authority.

The Authority has reviewed the minor amendments proposed by Busselton Water and hereby approves these amendments.

A copy of this letter and the approved agreement will be published on the Authority's website.
