24.3 Notification requirements

Kleenheat shall not disconnect the supply to a business customer's Premises or notify the Network Operator that it no longer supplies Gas to the Customer at the Premises unless:

- (a) Kleenheat has:
 - (1) used its best endeavours to contact the Customer personally, or by lettergram, facsimile or mail, or by telephone;
 - (2) offered the Customer an extension of time to pay beyond the original pay-by date on additional terms and conditions (which may include interest at a rate approved by the Economic Regulation Authority); and
 - (3) given the Customer, by way of a written Disconnection Warning, 5 Business Days' notice of its intention to disconnect or cease supplying Gas to the Customer (the 5 days shall be counted from the Date of Receipt of the Disconnection Warning), and
- (b) the Customer has:
 - (1) refused or failed to accept the offer within a time (not less than 5 Business Days) specified by Kleenheat; or
 - (2) accepted the offer, but has refused or failed to take any reasonable action towards settling the debt within a time (not less than 5 Business Days) specified by Kleenheat.

24.4 Disconnection for denying access to the Meter Equipment

Where the Customer fails to provide access to the Premises as contemplated by the Customer Service Code or Kleenheat is denied access to the Premises for the purposes of reading the Meter Equipment for the purposes of issuing 3 consecutive bills in the Customer's billing cycle, Kleenheat may disconnect supply to the Premises or may notify the Network Operator that it no longer supplies Gas to the Customer at the Premises.

However, Kleenheat will not disconnect or notify the Network Operator unless it has:

- (a) given the Customer an opportunity to offer reasonable alternative access arrangements;
- (b) on each of the occasions it was denied access, given to the Customer written notice request access to the Meter Equipment at the Premises;
- (c) used its best endeavours to contact the Customer personally or by lettergram, facsimile or mail, or by telephone; and
- (d) given the Customer, by way of a written Disconnection Warning, 5 Business Days' notice of its intention to disconnect the Customer (the 5 days shall be counted from the Date of Receipt of the Disconnection Warning).

24.5 Disconnection for Emergencies

Kleenheat or the Network Operator may disconnect or interrupt supply to the Premises in case of an Emergency. Where Kleenheat or the Network Operator exercises its disconnection right, either Kleenheat or the Network Operator (but not both) shall:

- (a) provide, by way of its 24 hour emergency line, information on the nature of the Emergency and an estimate of the time when supply will be restored; and
- (b) use its best endeavours to reconnect or secure reconnection at the Premises as soon as possible.

24.6 Disconnection for health and safety reasons

Kleenheat or the Network Operator may disconnect or interrupt supply to the Premises for reasons of health or safety. Except in the case of an Emergency, or where there is a need to reduce the risk of fire or where relevant regulatory requirements require it, Kleenheat or the Network Operator shall not disconnect the Premises for a health or safety reason unless it has:

- (a) given the Customer written notice of the reason;
- (b) where the Customer is able to do so, allowed the Customer 5 Business Days to remove the reason (the 5 days shall be counted from the Date of Receipt of the notice); and
- (c) on the expiry of those 5 Business Days, given the Customer, by way of a Disconnection Warning, another 5 Business Days' notice of its intention to disconnect the Customer (the 5 days shall be counted from the Date of Receipt of the Disconnection Warning).

24.7 Disconnection for planned maintenance

Kleenheat or the Network Operator may disconnect or interrupt supply to the Premises for the purposes of planned maintenance on, or augmentation to, the Network. Kleenheat or the Network Operator will not exercise its right to disconnect unless it has used its best endeavours to give the Customer notice of its intention to disconnect. The notice period shall be at least 4 days or such other period as specified by regulatory requirements. Kleenheat or the Network Operator shall use its best endeavours to minimise interruptions to supply occasioned by planned maintenance or augmentation and restore supply as soon as practicable.

24.8 Disconnection for unauthorised utilisation

Kleenheat or the Network Operator may disconnect supply to the Premises immediately where the Customer has obtained the supply of Gas at the Premises otherwise than in accordance with the Customer Service Code or in breach of any regulatory requirement.

24.9 When Kleenheat will not disconnect

Kleenheat will not disconnect supply to the Premises or notify the Network Operator that it no longer supplies Gas to the Customer at the Premises:

- (a) if the Customer fails to pay a bill where the amount outstanding is less than an average bill over the past 12 months and the Customer has, in accordance with the Customer Service Code, agreed with Kleenheat to repay the amount;
- (b) where the Customer has made a complaint, directly related to the reason for the proposed disconnection, to the gas industry ombudsman and the complaint remains unresolved;
- (c) where the Customer has made an application for a government concession or grant and the application has not been decided;
- (d) where the Customer has failed to pay an amount on a bill which does not relate to the service to property charge, the Gas usage charge or other charge of the kind contemplated by the Customer Service Code;
- (e) after 3pm on a weekday;
- (f) except in circumstances where disconnection is required under the Gas Standards Act 1972, if the Customer has provided Kleenheat with a written statement from a Medical Practitioner to the effect that supply is necessary in order to protect the health of a person who lives at the Premises and the Customer has entered into arrangements acceptable to Kleenheat in relation to the payment of Gas supplied; or
- (g) on a Friday, on a weekend, on a public holiday or on the day before a public holiday except in the case of a planned interruption.

24.10 Customer assistances

The Customer must assist Kleenheat to disconnect supply and acknowledges, in accordance with the ownership, rights and obligations prescribed in clause 14.1, that at all times the Meter Equipment is the property of Kleenheat and gives Kleenheat permission to enter upon the Premises to remove any property specified under this Agreement to belong to Kleenheat. The Customer must pay all reasonable costs associated with the disconnection of the supply of Gas to the Customer, regardless of whether the election was by the Customer or Kleenheat and for whatever reason, provided that the Customer will not be required to pay for the cost of a disconnection where the disconnection occurs under clauses 24.5, 24.6 or 24.7.

24.11 Disconnection by law

Where Kleenheat is required by law to reduce supply to a Customer, the Customer must use less Gas. If Kleenheat is required by law to disconnect Gas supply to the Premises, the Customer must stop using Gas. There is no fee for disconnection and reconnection of Gas supply in either of those cases. Kleenheat will use reasonable endeavours to reconnect the Gas supply to the Customer

25 Reconnection after disconnection

25.1 Customer request

Where Kleenheat has exercised its right to disconnect supply of Gas to the Premises pursuant to:

- (a) clause 17 and the Customer provides access to the Meter Equipment; and
- (b) clause 24 and the Customer has ceased to so obtain supply and has paid, or made an arrangement to pay, for the supply so obtained,

Kleenheat will reconnect the supply of Gas to the Premises, subject to the Customer Service Code, if the Customer makes a request for reconnection and pays Kleenheat for its reasonable reconnection fee.

25.2 Reconnection circumstances

Kleenheat will, subject to the provisions of any law reconnect supply if:

- (a) within 10 Business Days after disconnection for non-payment of a bill, the Customer pays the overdue amount or makes an arrangement for its payment;
- (b) within 10 Business Days after disconnection for denial of access to the Meter Equipment, the Customer provides access to the Meter Equipment;
- (c) within 10 Business Days after disconnection for unlawful consumption of Gas, the Customer pays for the Gas consumed; or
- (d) within 20 Business Days after disconnection in any Emergency for health, safety or maintenance reasons, the situation or problem giving rise to the need for disconnection has been rectified,

and the Customer pays any reasonable reconnection fee.

25.3 Timing

If Kleenheat is under an obligation to reconnect a Customer under this clause and the Customer makes a request for reconnection:

- (a) before 3pm on a Business Day, Kleenheat will use its best endeavours to make the reconnection or cause the Network Operator to make the reconnection on the day of the request;
- (b) after 3pm on a Business Day, Kleenheat will make the reconnection or cause the Network Operator to make the reconnection as soon as possible on the next Business Day; or
- (c) after 3pm on a Business Day and before the close of normal business and pays Kleenheat's after hours reconnection charge, Kleenheat will make the reconnection or cause the Network Operator to make the reconnection on the day requested by the Customer.

Where Kleenheat notifies the Network Operator of a request for reconnection within a reasonable time of Kleenheat receiving the request for reconnection, the Network Operator shall reconnect the Customer in accordance with the time periods specified above.

26 Termination

26.1 Disconnection at Customer's request

This Agreement is terminated if Kleenheat procures the disconnection of the Premises at the Customer's request (other than an agreed temporary disconnection).

26.2 Termination by notice

Either party may terminate this Agreement by giving not less than 3 Business Days' prior written notice to the other party.

26.3 Kleenheat's termination rights

Without prejudice to any other right or remedy and in addition to any statutory or other right to suspend or cut off the supply of Gas to the Premises, Kleenheat may terminate this Agreement by giving 10 Business Days' written notice if the Customer:

- (a) commits a substantial breach of this Agreement;
- (b) becomes insolvent;

- (c) goes into liquidation; or
- (d) commits an act of bankruptcy.

Kleenheat must not terminate this Agreement if the Customer commits a breach of this Agreement unless Kleenheat has:

- (a) a right to disconnect supply under this Agreement, a written law or a relevant code; and
- (b) disconnected supply at all supply addresses of the Customer covered by this Agreement.

26.4 When termination takes effect

Despite any other provision of this Agreement, the termination of this Agreement by Kleenheat or the Customer does not have effect until:

- (a) in the case of termination because the Customer has entered into another customer contract with Kleenheat, the cooling-off period (if any) for that other contract expires;
- (b) in the case of termination because the Customer has entered into a customer contract with another retail supplier, the customer is transferred to the other retail supplier in accordance with the retail market rules for the distribution system concerned; or
- (c) in the case of termination following disconnection, the Customer no longer has any right to reconnection under the provisions of this Agreement, a written law or a relevant code.

26.5 Events upon termination

If this Agreement is terminated:

- (a) Kleenheat may arrange for a final meter reading and for disconnection on the day on which this Agreement ends;
- (b) Kleenheat may issue a final bill to the Customer;
- (c) Kleenheat may, subject to the provisions of any written law or code, charge the Customer a fee for the final meter reading, disconnection and final bill;
- (d) Kleenheat or the Network Operator may remove any Network equipment at any time after the day on which this Agreement ends;
- (e) the Customer must allow Kleenheat or the Network Operator safe and unrestricted access to the Premises for the purpose of removing Network equipment; and
- (f) if the Customer wants Kleenheat to again supply Gas to the Customer, the Customer must enter into a new customer contract with Kleenheat.

26.6 Survival of obligations

Notwithstanding termination, the Customer's obligations under this Agreement prior to termination continue until Kleenheat has received all money payable to it in relation to this Agreement and specifically, the Customer remains liable to pay for all Gas delivered to the Premises after termination.

27 Title and Risk

Title to and risk in all Gas supplied to the Premises will pass to the Customer at the Delivery Point for the Premises and the Customer will bear all loss or damage arising out of or in any way directly or indirectly connected with Gas supplied after title and risk to the Gas has passed to the Customer.

28 Exclusions

28.1 No warranty

The Competition and Consumer Act 2010 (Cth) (including the Australian Consumer Law) (CCA) as well as State and Territory laws guarantee certain conditions, warranties and undertakings, and give you other legal rights, in relation to the quality and fitness for purpose of consumer goods sold in Australia. These guarantees cannot be modified nor excluded by any contract. Nothing in this Agreement purports to modify or exclude the conditions, warranties and undertakings, and other legal rights, under the CCA and other laws. Except as expressly set out in this Agreement and the CCA, Kleenheat makes no additional express guarantees, warranties or other representations under this Agreement. Kleenheat's liability in respect of these warranties is limited to the fullest

extent permitted by law.

28.2 Consequential loss

To the fullest extent permitted by law, Kleenheat will in no case whatsoever (including negligence) be liable for any loss of profits, loss caused by stoppages in production or business interruption, reliance losses, damages for loss of opportunity, liability suffered by the Customer to third parties or any consequential or indirect loss or damage.

29 Indemnity of Kleenheat

To the fullest extent permitted by law, the Customer indemnifies Kleenheat against all expenses, losses, damages and costs that Kleenheat may sustain or incur as a result of a claim by any person (including the Customer) arising out of or connected with the Gas supplied by Kleenheat or any breach of the Customer of this Agreement except to the extent attributable to Kleenheat's negligence.

30 Notices

Any notice given to a party must be in writing and delivered by facsimile or prepaid letter to the number or address of that party set out in this Agreement for such purposes (or such other address as the party may by notice substitute) and will be considered to have been received in the case of facsimile, upon production of a transmission report by the recipient's machine indicating that the facsimile was transmitted in its entirety and, in the case of prepaid letter, on the second Business Day after being posted. Kleenheat has the ability to communicate electronically with the Customer, but will not do so, unless the Customer agrees.

31 Complaints and disputes

A Customer may:

- (a) make a complaint to Kleenheat about Kleenheat's acts or omissions; and
- (b) if the Customer is not satisfied with Kleenheat's response to the complaint, raise the complaint to a higher level within Kleenheat's management structure; and
- (c) if after raising the complaint to a higher level, the Customer is not satisfied with Kleenheat's response, refer the complaint to the gas industry ombudsman, as appropriate.

Kleenheat will handle customer disputes and complaints in accordance with the Australian Standard on Complaints Handling (AS 4269), publish information which will assist the Customer in utilising its complaints handling process and on request will provide the Customer with information on its complaints handling process and the gas industry ombudsman scheme of which Kleenheat is a member.

32 Amendment of Agreement

The standard terms and conditions can only be changed with the Economic Regulation Authority's consent, by amendment to Kleenheat's trading licence. Provided Kleenheat first obtains such consent, Kleenheat may amend, delete or introduce any term or condition of this Agreement. Kleenheat does not require the Customer's consent to amend this Agreement, but will use its reasonable endeavours to give the Customer prior notice of the amendments and will, on the date the amendments are effective, publish notice of any changes to this Agreement in a newspaper circulating in the area of the Premises and publish the change on its web page. Kleenheat will not be required to give separate notice of any change to any document incorporated into this Agreement, which document is issued by persons other than Kleenheat. If the Customer does not agree with any amendment to this Agreement, the Customer may terminate this Agreement in accordance with clause 26.

33 Availability of Agreement

A copy of this Agreement or any of the documents referred to in this Agreement are available to the Customer, free of charge, from Kleenheat upon the Customer's request or by visiting Kleenheat's website at www.kleenheat.com.au. The Customer can arrange to see or obtain any such copies by contacting any of Kleenheat's offices.

34 Access to information

The Customer may request from Kleenheat any information which is held by Kleenheat concerning the supply of Gas to the Premises and standard meter readings for the Premises connected with the Customer's accounts, the status of the Customer's accounts, a copy of Kleenheat's Customer Service Charter, a copy of the Energy Coordination (Customer Contracts) Regulations or any relevant code, information about fees and charges payable under this Agreement, information about energy efficiency, billing data and contact details for obtaining information about Government assistance programs or financial counselling services. Kleenheat will provide standard information so requested and within a reasonable time of the request.

35 Confidentiality

Kleenheat will keep confidential a Customer's information in accordance with the Customer Service Code, unless:

- (a) the Customer gives Kleenheat prior written consent to disclose the information to a third party;
- (b) disclosure is required to comply with any accounting or stock exchange requirement (such information disclosed will, as far as possible, be in an aggregated form);
- (c) disclosure is required to comply with any legal or regulatory requirement, or in the course of legal or other proceedings or arbitration;
- (d) the information is already in the public domain; or
- (e) Kleenheat believes the Customer has used Gas illegally and must provide Customer information to the Economic Regulation Authority or the Director of Energy Safety or the Police.

36 Successors and assigns

The Customer must not assign this Agreement without the prior written consent of Kleenheat. Kleenheat may assign this Agreement without the consent of the Customer and without giving the Customer notice of such assignment, to any person Kleenheat believes has reasonable commercial and technical capability to perform its obligations under this Agreement. In the event that either party assigns its interests under this Agreement, all the terms and conditions of this Agreement will be binding upon and enure to the benefit of the successors and assigns of the parties.

37 Unsolicited Consumer Agreements

- (a) The Customer has the right, at his or her discretion, to rescind a Unsolicited Consumer Agreement within the Cooling-off Period.
- (b) Kleenheat must not supply Gas to the Customer under the Unsolicited Consumer Agreement during the Cooling-off Period .

38 Governing Law

This Agreement is governed by and construed in accordance with the laws of Western Australia and the parties submit to the jurisdiction of the courts of Western Australia.

39 Compliance with laws

Each party's obligations under this Agreement are subject to that party's obligations under applicable laws, regulations and conditions of any governmental authorisations. Any failure to comply with an obligation under this Agreement resulting from compliance with an inconsistent or conflicting obligation under any applicable laws, regulations or conditions of any applicable governmental authorisation does not give rise to a breach of this Agreement.

40 Severability

If the whole or any part of this Agreement is void, unenforceable or illegal in a jurisdiction, it is severed for that jurisdiction. The remainder of this Agreement has full force and effect and the validity or enforceability of that provision in any other jurisdiction is not affected. This clause has no effect if the severance alters the basic nature of this Agreement or is contrary to public policy.

41 Waivers

The failure to exercise or delay in exercising a right or remedy under this Agreement will not constitute a waiver of the right or remedy or a waiver of any other rights or remedies and no single or partial exercise of any right or remedy will prevent any further exercise of the right or remedy or any other right or remedy.

42 Entire Agreement

This Agreement constitutes the entire agreement and understanding of the parties with respect to its subject matter. This clause operates to the extent permitted by law.
